USA Shooting Extends Partnership with SKB Cases

COLO SPRGS, CO (April 6, 2021) – USA Shooting, The National Governing Body for shooting sports in the United States, extends their partnership with SKB Cases as the official Case and Gun Protector of USA Shooting through 2023.

“We are honored to continue our partnership with USA Shooting, and look forward to helping America’s world-class athletes to achieve success,” said Steve Kerpan, Vice President of Sports Sales at SKB.

“SKB Cases has been a great partner for the past three years and we’re pleased to extend our partnership through 2023,” said Buddy DuVall, USA Shooting CMO. “The extensive SKB product line accommodates the specific requirements of our rifle, pistol, and shotgun shooters, with each case being of exceptional quality and durability. SKB has exceeded our expectations for not only quality products but providing exceptional customer service.”

On average, USA Shooting National Team athletes travel 5,000 miles per year to international and domestic competitions chasing their Olympic, Paralympic, and World Cup gold medal dreams. They rely on SKB cases to protect their equipment while traveling around the world as well as to and from their home ranges.

“I’ve traveled with SKB cases for three years. In that time, I’ve been to a dozen competitions, in a dozen nations and my equipment always arrives safe when it matters most,” said Lucas Kozeniesky, Olympic Rifle Team Member.

SKB cases used by USA Shooting athletes include a customized USA Shooting heat printed logo on each gun case.

“Over 350,000 miles flown on United with my SKB case, and not one problem,” added Olympic Pistol Team Member, Nick Mowrer.
